Transforming **MARITIME FINANCE**

A maritime-native financial ecosystem designed specifically for shipping companies, seafarers, and maritime suppliers

ZERO IMPLEMENTATION COST
ZERO INITIAL INVESTMENT
ZERO CASH HANDLING

WHY 7SEAS WALLET?

Personal IBAN for Every Seafarer

Independent wallet ownership fully controlled by the seafarer, not the employer.

Zero Implementation Cost

No setup fees, no initial investment, and no onboarding costs for shipowners or managers.

Maritime-Native Platform

Purpose-built specifically for shipping operations, crew management, and onboard environments.

Automated Payroll & Payment Flows

Streamlined salary, overtime, allotment, and supplier payment processing through one digital ecosystem.

Zero-Fee Crew Transfers

Instant wallet-to-wallet transfers between crew members with no additional charges.

Real-Time Financial Visibility

Centralized reporting and improved payment transparency for finance teams.

Global Standard KYC Onboarding

Secure and compliant onboarding aligned with international verification standards.

Eliminate Onboard Cash Handling

Reduce risks, logistics costs, and operational inefficiencies linked to physical cash onboard.

Faster Supplier Settlements

Improved supplier relationships through streamlined global payment flows.

BENEFITS

Shipowners & Ship Managers

Reduced Operational Costs

Reduced cash handling, lower banking friction, and automated workflows.

Simplified Payroll Management

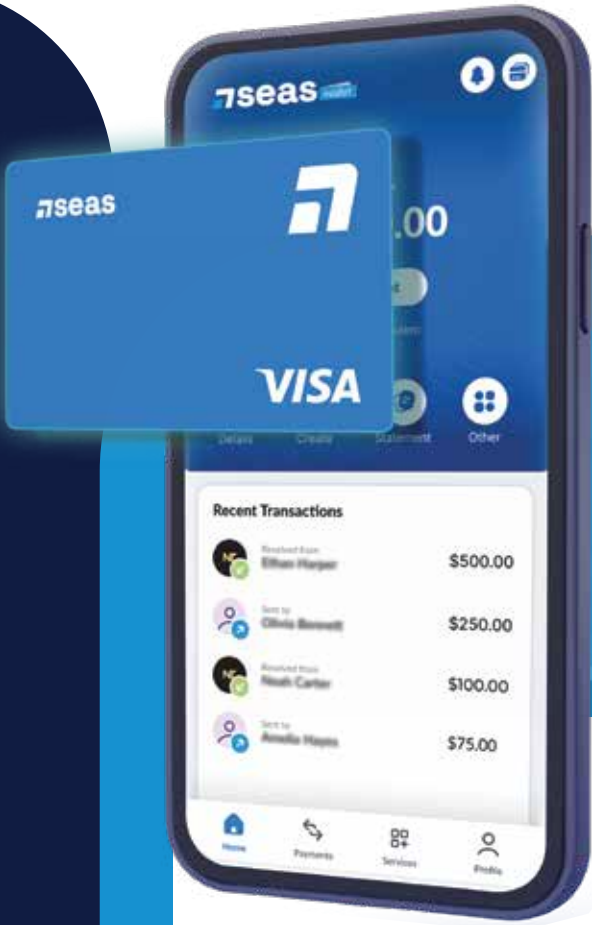

Efficient crew payment processing across fleets.

Improved Compliance

Secure onboarding aligned with global KYC / AML standards.

Better Crew Satisfaction

Fast and transparent payments improve welfare and retention.

7seaswallet.com
